

BS-300

CHICKEN BREAST SLICER

The *New* Gaser BS-300 Automatic Chicken Breast Slicer

provides a fast, safe and efficient way to thin slice boneless chicken breasts into two, three or four consistent slices. The counter top design and small foot print allow the BS-300 Chicken Breast Slicer to fit almost anywhere. With production speeds of up to 440 pounds (200 Kg) per hour, the BS-300 Chicken Breast Slicer can handle the most demanding operation. The convenient front load and front discharge make the BS-300 Chicken Breast Slicer a true one person operation. Plus the all stainless steel construction and quick disassembly offer ease of cleaning with long lasting durability.

When it comes to innovation, quality and value, Mainca USA is always your first and your best equipment choice.
