

DG 332 FLAT TOP GRINDER

This unit will deliver high production output giving you higher profits at a price you can afford. It is ergonomically designed to offer you ease of loading, operation and cleaning. This unit comes standard with stainless steel bowl, ring, and auger. Direct drive makes this machine quiet and virtually maintenance free. Combine all the advantages of this unit, and it is clear that the DG 332 GRINDER is your answer in getting the highest return on your investment. Perfect for super markets, small processors, butchers and restaurants. Nothing on the market comes close to our design, output or price!!

Optional: machine cart with adjustable legs, shelf, foot switch and left hand tub.
